This document was last updated in February 2018. Please confirm with your financial adviser that this is the most up-to-date document for your product or servicing needs

We only sell our products through financial advisers as we believe it is important you receive independent financial advice. As it is you who chooses your financial adviser, you need to bear in mind that they are acting on your behalf and not on behalf of Old Mutual International. You are responsible for their actions or omissions.

All references to Old Mutual International in this application form mean Old Mutual International Isle of Man Limited.

TAXATION INFORMATION

Under Automatic Exchange of Information (AEOI) regulations Old Mutual International is required to obtain information about an applicant's tax status. To enable us to comply with these regulations, when submitting this application form you must also submit the 'Taxation information and self-certification – for entity investors' for trustee investments. Completion and submission of a self-certification is mandatory and failure to provide one could result in your Portfolio being reported under AEOI by default. If any of the information contained in the self-certification changes please advise Old Mutual International promptly so we can determine if a new self-certification is required.

IMPORTANT INFORMATION FOR YOU – THE APPLICANT

PART C FINANCIAL CRIME – RISK RATING

► Please refer to the origin of wealth guidelines (available from Old Mutual International) for information on how to complete the table below.

To prevent financial crime, Isle of Man authorised life companies may adopt a 'risk-based approach' when obtaining evidence of the origin of a client's wealth. In order to speed up the application process we have provided you with the table below to allow you to find out your client's risk rating before submitting the application form to us. **We highly recommended that you complete the risk rating as it allows you to determine if you need to enclose further documentary evidence with the application form or not. If we do not receive the necessary documentary evidence with the application form, then it will take longer to process the business.**

In order to decide what risk rating applies to your client's investment you need to take into account the following factors:

(a) your client's country of residence

(b) which country the premium is paid from.

(a) + (b) = total risk rating

Applicant	Client country of residence (a)	Country of premium funding (b)	Total risk rating
Example	Switzerland (1)	UK (1)	2

Old Mutual International reserves the right to request further documentation if it is felt appropriate. Please note that each new application, or application for an additional investment, will be reviewed individually.

If you are unsure about a particular application, please contact your Old Mutual International business consultant in the first instance, or alternatively contact Old Mutual International's Sales Support team directly on +44 (0)1624 655 010.
