All Isle of Man authorised life companies are required to identify any parties to the application who are Politically Exposed Persons ("PEP") and request enhanced due diligence. **A PEP is a person who is or has been entrusted with prominent public functions.** This includes immediate family members or any close associate. Enhanced Due Diligence (EDD) means, in addition to fulfilling the minimum verification requirements, the life company may be required to take extra steps to verify the identity, address, source of funds or source of wealth of a client. This may include requesting additional documentation which will support the identity, residency, source of funds or source of wealth of the applicant(s).

Examples of PEPs include: a Head of State, a holder of a political or government post, a high level member of the Judiciary, a high ranking officer in the Military, an employee of a State owned Corporation or a board member of a Central bank. Further information can be obtained from [hansard.com](http://hansard.com).

If the answer is "Yes", please provide further details below (including full name and PEP status)

Based on the information provided, we reserve the right to request further information or documentation.

## 8. Standing Instruction for Clearance of Negative Cash Balances

**For UPP Contracts** - Negative cash balances arise when there is insufficient cash in your contract to cover the charges as they fall due.

In order to settle any negative cash balances the Company's standard instruction will apply as follows: sufficient Hansard International Limited unit funds will be sold to meet the balance, beginning with the unit fund with the largest current value; if this is not sufficient, external assets will be sold, again beginning with the asset with the largest value regardless of any redemption penalties applicable, until the negative cash balance is cleared. Please note these deals will be placed without notice.
