

# THE BROCK PERSONAL PENSION PLAN

**The Brock Personal Pension Plan (“the Plan”) is a Guernsey income tax office-approved pension plan, which meets the requirements to be considered a Qualifying Non UK Pension Scheme (‘QNUPS’)**

A QNUPS may offer retirement planning opportunities, including a potential exemption from UK Inheritance Tax, and it is also not subject to the UK Lifetime Allowance.

The Plan is a robust pension structure based in a stable jurisdiction with specific pension regulation and as such may be a suitable arrangement for receipt of pension transfers from other international and foreign pension plans. Furthermore, Guernsey is recognised as a centre of excellence in the administration of international pension schemes. The Plan is designed with four fee levels tiered to suit a variety of retirement planning budgets.

The Trustee of the Plan is Sovereign Trust (Guernsey) Limited, a trust company licensed and regulated by the Guernsey Financial Services Commission.
