- **3** You should seek guidance from your financial adviser as to the suitability of the policy to your own particular circumstances. Reserve should be regarded as a medium to long-term investment (five years or more). We are not responsible for providing any advice as to the suitability of any asset for your investment objectives and risk profile.
- 4 Each policy is governed by and shall be construed in accordance with the law of the United Arab Emirates.
- 5 A politically exposed person is a person appointed by a foreign government or an international organisation to a high profile position, who has held that position within the last 2 years. It is also a family member or a close business associate of such a person. This includes: heads of state; Government ministers; senior government officials; senior judges or military officers; senior executives of publicly owned companies; important political representatives, such as an ambassador. This applies to the applicant, policyholder, life assured, premium payer, beneficiary and any other party connected to the application.
- **6** Underlying fund prospectuses are available from the fund manager or your financial adviser on request.

#### 7 Investment acknowledgement

Reserve gives you an investment choice from a very wide-ranging menu of investments. Some of the funds which are available to you are classed as specialist funds aimed at professional or experienced investors. If you were investing in such a fund directly yourself, rather than through your Reserve policy, you may have to declare that:

• You have read and understood the information supplied to you and understand the nature of any risks involved.

- You have discussed with your financial adviser whether such an asset is appropriate to your investment portfolio.
- You are eligible and able to invest into the fund and have the level of investment knowledge and experience required by the fund manager.
- You meet certain minimum financial requirements.
   Ordinarily some of these funds could only be held by professional/experienced investors rather than the general public. Also, information relating to such investments may not be available for distribution in certain jurisdictions.
   However, when the investment is made through your Reserve policy, we are treated as the professional or experienced investor and this enables policyholders that may not have been able to do so, to access these funds.

Please note that different jurisdictions may impose different criteria on the generally accepted definition of a professional/ experienced investor. Full definitions, restrictions and investor requirements can be found in each fund's prospectus/terms and conditions, which are available from the fund manager or your financial adviser. We recommend that you obtain, read and fully understand a copy of the prospectus/terms and conditions for your chosen investment.

#### 8 Liquidity information

Some funds may have restrictions on their ability to pay redemptions due to the type of underlying investments they hold. This could limit your ability to raise cash from the fund in the future.

Investment into specialist funds should be considered a long-term investment. You, in conjunction with your financial adviser, should consider the amount you invest via your policy if it is likely that you will need access to your capital quickly in the future.

#### **Declarations – Reserve**

Attention is drawn to the following declarations. Where we have asked for information that we need to assess before we can accept your application, you must disclose all facts which are material.
