Insurance Services

SOVEREIGN INSURANCE SERVICES

PROVIDING A LOCAL SERVICE WITH A GLOBAL REACH

INTRODUCING SOVEREIGN INSURANCE SERVICES

Sovereign Insurance Services Limited (SIS) is an insurance brokerage established in Gibraltar and regulated by the Gibraltar Financial Services Commission. Combining the strength of the Sovereign brand with the experience and expertise of the team enables SIS to offer an innovative and professional service to its clients.

Sovereign Insurance Services was set up as the insurance broking division of Sovereign to service the insurance requirements of our clients and has now evolved into a centre of excellence for all corporate and personal insurances for clients, wherever they are domiciled.

SERVICES FOR CORPORATE CLIENTS

Sovereign Insurance Services has developed strong relationships with a network of leading insurers and partners around the world allowing it to provide market-leading expertise on an international scale. This specialist service is available to both existing clients of Sovereign and to those who have recognised the need for such professional support.

The comprehensive range of Corporate Insurance products includes:

RISK MANAGEMENT

Access to leading expertise to assist clients in assessing and mitigating all risks facing their business.

PROPERTY

Protection against the complexities presented by large residential apartment blocks, or complex commercial enterprises.

KIDNAP AND RANSOM

Full insurance cover plus risk management strategies, and access to security service are available via a secure enquiries email address.

CONSTRUCTION AND SURETY

Professional approach to Contractors All Risks, Performance and Bid Bonds, and Latent Defects covers.

DIRECTORS & OFFICERS, PROFESSIONAL INDEMNITY

To cover all professional liability risks, organisations should consider D&O and PI protection as essential.

HEALTHCARE

Tailored healthcare solutions for a range of markets and company size.

EMPLOYEE BENEFITS

Schemes arranged for Employee Assistance Programmes; Critical Illness, Death in Service and Key Man Insurance.

MARINE

A range of market-leading Marine policies available to cover vessels registered worldwide. Plus, in partnership with another Sovereign company – “RegisterAYacht.com” – extensive yacht registration and management services.

CYBER INSURANCE

To provide protection and to mitigate losses from a variety of cyber incidents, including data breaches, business interruption and network damage.

AVIATION

Insurances for private and commercial aircraft with associated liabilities. Plus, in partnership with another Sovereign company – “RegisterAnAircraft.com” – full aviation registration and management services.

SERVICES FOR PRIVATE CLIENTS

At Sovereign Insurance Services, we appreciate that your insurance requirements are unique. We understand that your home is not just any residence, but a special place reflecting your individuality and your lifestyle. We have access to a number of bespoke insurance products from leading global insurers, which will allow us to tailor an insurance portfolio to meet your needs.

All clients have access to SIS's high quality claims service to support them through every stage of the claims process and achieve a satisfactory outcome in the shortest possible time.

This service is open to existing clients of Sovereign, as well as to others and can include any, or all, of the following covers;

HOME

Worldwide all risks basis including agreed values for jewellery, collections and fine art. A complimentary risk survey and risk management review is available.

MOTOR

Cover for individual vehicles or personal fleets and collections, located in the EU. Agreed values and common renewal dates can be arranged.

PRIVATE HEALTH

Tailored worldwide cover for either individuals or families.

ANNUAL TRAVEL

Individual and family cover available throughout the world.

KIDNAP AND RANSOM

Insurance, risk management strategies and access to security services are available on an individual or family basis.

AVIATION

Protection for all types of private aircraft and associated liabilities.

MARINE

Marine hull and liability cover, including protection for crew.

INHERITANCE TAX (IHT)

Cover can be arranged for suitable life insurance to cover any potential IHT liabilities.

SECURING YOUR ASSETS

As an integral part of Sovereign, the SIS team has secured strong relationships with leading insurers throughout the world, carefully selected for their knowledge and experience in understanding the complex requirements of Corporate and Private Clients.

Sovereign Insurance Services goes beyond the simple provision of insurance broking to weave protection for you and your assets into the services offered by Sovereign, whether that be aircraft or yacht registration; establishment of companies and trusts; or pensions and employee benefit schemes.

Clients have access to the SIS team with its extensive knowledge across the full insurance spectrum, and with a total focus on the most critical aspect of financial planning – the protection of your assets.

The SIS team will be pleased to work with you to understand your requirements and then find the right protection from a suitable partner to ensure that the policy reacts effectively in the unfortunate event of a claim.

ABOUT SOVEREIGN

Sovereign is one of the largest independent corporate and trust service providers in the world, Sovereign currently manages over 20,000 structures for a wide variety of clients – companies, entrepreneurs, private investors or high net worth individuals and their families – and have assets under administration in excess of US\$10 billion. Our comprehensive service offering is arranged around three core segments:

Corporate Services – company formation and management across all major jurisdictions, together with the necessary support to assist companies of all sizes to establish and sustain operations successfully in foreign markets.

Family Office Services – providing trustee services and wealth management and succession planning to internationally mobile families and entrepreneurs, together with the specialist support needed to secure current goals and long-term sustainability.

Retirement Planning – providing and administering market-leading international pension schemes that offer choice, transparency and portability across multiple jurisdictions.
